

## REMARKS

In the April 17, 2008 Notice of Allowance, the Examiner allowed claims 1-8, 11-13 and 15, based on the amendment of claim 15 and cancelation of claim 16 in the Amendment filed December 26, 2007, because claims 1-8, 11-13 and 15 as presented in the April 27, 2007 Amendment had been allowed in the Office Action mailed July 27, 2007 (which included an objection to a typographical error in claim 12).

However, the December 26, 2007 Amendment did not accurately list previously presented claims 1 and 15. Therefore, this Rule 1.312 Amendment is being filed to return claims 1 and 15 to the wording in the April 27, 2007 Amendment, with the exception of a typographical error that appeared on lines 15-16 of claim 1 in the April 27, 2007 Amendment, where the letter "N" should not have preceded "instruction execution unit" in view of the "corresponding instruction execution unit" being singular and "N" defined as "an integer greater than one" on line 7 of claim 1 in the April 27, 2007 Amendment.

In light of the above, entry of this Rule 1.312 Amendment is respectfully requested.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
